Sizing Artwork:

Art should be created to actual size or 100% scale @ 150 DPI if possible.
If this is not feasible, create art at a 50% scale @ 300dpi.

Accepted File Formats:

- Adobe Illustrator ([Please package file](#))
- Adobe InDesign ([Please package file](#))
- Adobe Illustrator PDF (Embed all images and convert all text to outlines)
- JPG or TIFF
- Photoshop Document containing all layers (Please include a JPG to ensure no details are lost in translation)

Do not export PDFs from InDesign

Color Mode:

All files **MUST** be designed in RGB format for proper color conversion.
Use Pantone colors to designate spot colors for matching.

Resolution:

All artwork should be 150 DPI @ full size or 300 DPI @ half size.
Anything under 150 DPI may produce unsatisfactory prints.

Color Matching:

Please provide all PMS info for proper color matching.
Please provide a PDF proof with all color matching information noted.

Sending Artwork:

Art files may be:

- Transferred to our FTP site.
- Emailed to art@softspace1.com (up to 10 MB)
- DVD's and CD's may be mailed to us as well.

The FTP login information is:

HOSTNAME: srll.supercp.com
USERNAME: customer@softspace1.com
PASSWORD: fileupload25

Please place files in a folder titled with client's name inside the "incoming" folder on the server.

We recommend [FileZilla for FTP transfers](#). It's free for PC and Mac.
