# OUR WORK

Watch two projects ([LED](#) & [Projection](#)) we recently completed.

# OUR WORK

A recent project included a 50' wide LED theater that served as the centerpiece to a massive 500' LED façade wrapped around a 47,000 square foot exhibit hall. Throughout the exhibit hall were overhead lighting, media servers, sound, as well as several other LED solutions.

# OUR LOCATIONS

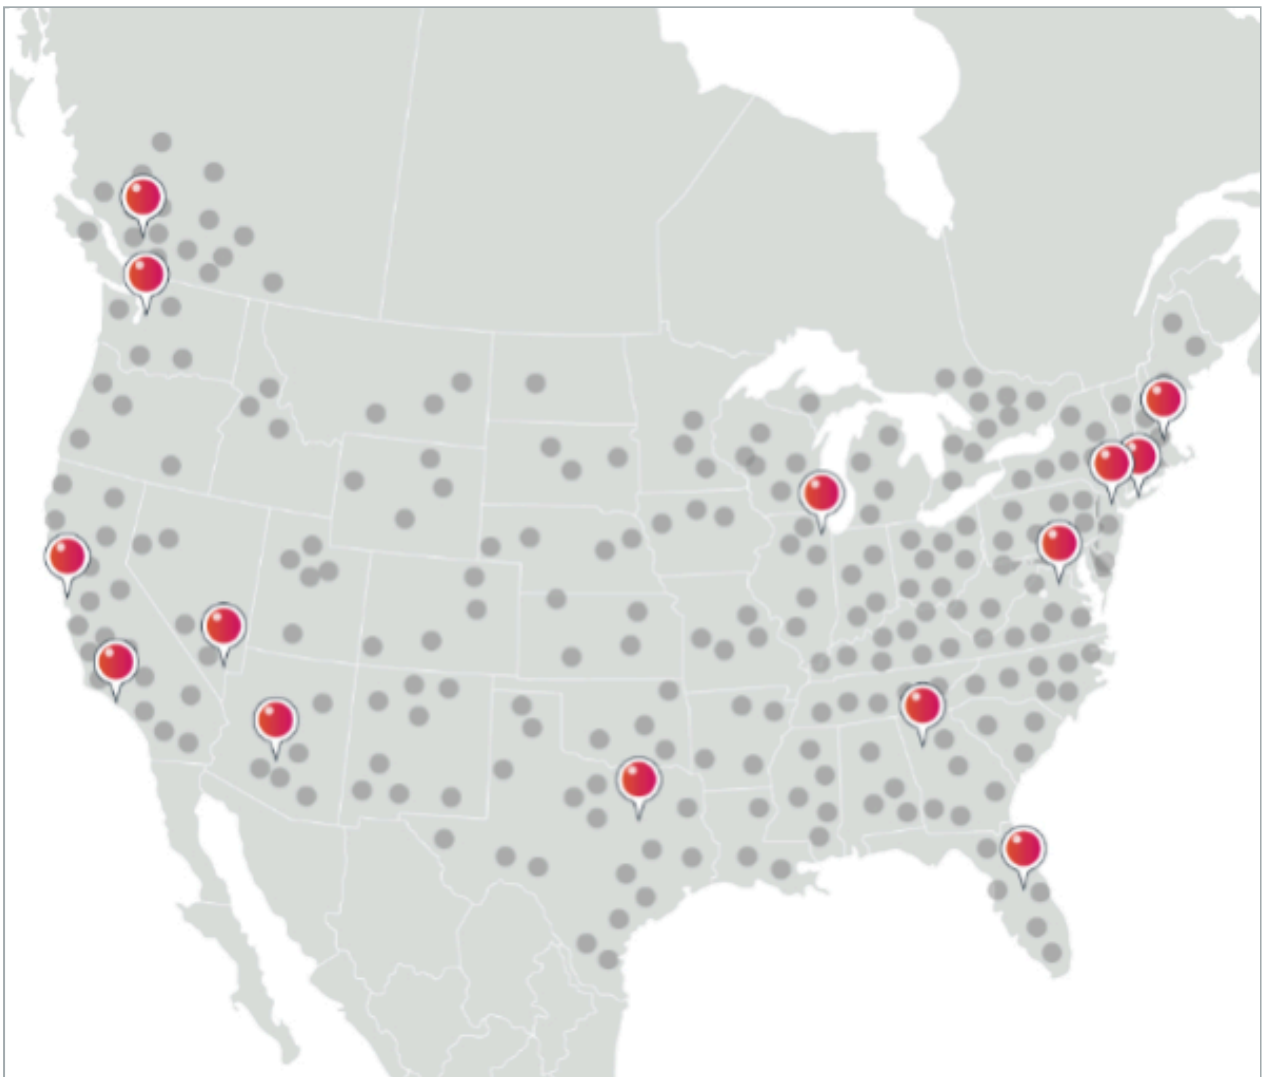

We are wherever you need us to be. Our fast delivery and team of AV and IT rental experts ensures that equipment and technicians are available for projects anytime — and anywhere — in the United States and Canada. Through our network of branch locations and warehouses, we offer local delivery, setup, and familiarity with prominent venues in every major market.

# TESTIMONIALS

*"Whether our company is producing a small conference or large expo, on the East Coast or West Coast, SmartSource has been our preferred AV vendor. They truly care about their customers and give immediate support both pre-show and onsite. It's a great feeling to work with a company that is eager to help problem solve, give expert advice, and provides affordable prices. I always look forward to working with SmartSource. Kudos to the SmartSource team for all your hard work and customer satisfaction!"*

*- Operations Manager, Global Exhibitions*

*"SmartSource is a great Audio Visual Contractor. The relationship with SmartSource and its staff has been fantastic. They're very easy to work with. They are always trying to accommodate our needs and make sure we look the best we can possibly look as an organization."*

*- Executive Vice President & COO, IAEE*

*"It was such a pleasure to partner with you and your team! Everyone was so happy with the level of service, professionalism, and peace of mind you provided. Working with SmartSource was night and day to the experience we had the previous week when we worked with in-house AV. Thank you!"*

*- Event Planner Project Manager, ORAU*

# TESTIMONIALS

*"I initially was super excited to find SmartSource and know the technical stuff would not lie on my shoulders alone for our event, but had no idea how invaluable you would become in the process. I could have never pulled it off as successfully without you and your expertise, guidance, and patience!"*

*- Trade Show & Events Specialist, CTSM*

*"CEIR was committed to presenting the level of excellence participants have come to expect from Predict, and by applying cutting-edge technology provided by SmartSource, we were pleased to have produced a highly engaging event."*

*- CEO, CEIR, CMP-F, CAE, CEM*

*"Any vendor can provide a piece of equipment. But when you require a true partner with the expertise to fully understand and carry out detailed, complex setups, that's where SmartSource excels."*

*- President, TUG*

# SCOPE OF SERVICES

There are many pieces involved in planning and executing successful events. We intently listen to your goals and expectations, then leverage our expertise to apply the proper technologies to make your event successful, regardless of the size and location. We adapt technologies depending on your budget so there are never any surprises. We are with you onsite providing equipment set-up, service, and expert support.

## **DISCOVERY & PRE-PLANNING**

Laying the right groundwork is essential. Pre-production is where we devise the best game plan to achieve your goals. Our team is familiar with venues throughout North America. We understand their nuances and will guide you every step of the way.

## **EVENT EXECUTION**

We're rolling! Now that we have the road map developed in the pre-planning stage, it's time to put it all together. This is where our professional crew of experienced Project Managers, Specialty Technicians, and local Labor do what they do best. We will execute every need with the most up-to-date technology and talented labor.

## **POST-EVENT REVIEW**

After every event we will schedule a review. We want to know where we succeeded, how we can serve you better, if processes should be tweaked for better efficiency, etc. Your feedback is always key to everyone's success!

## **FINAL REVISIONS**

We will make revisions to the pre-event estimate based on any changes made on show site as well as adjustments to event labor. Final revisions will be reviewed with you before final invoicing.
