WHITE LABEL EXHIBIT MANUFACTURING

YOU DESIGN IT.

WE'LL ENGINEER AND BUILD IT.

WHAT IS AGAM MAX?

Max is Agam's white label, complete exhibit manufacturing service. Purchase or rent complete exhibits and branded environments.

Services include:

- Engineering
- Structure
- Cladding
- Graphic
- Staging
- AV and Lighting Integration
- Set-Up Drawings
- Custom Crating and Skidding
- Warehousing

WHO IS AGAM MAX FOR?

- Smaller organizations with limited capabilities that want to leverage outsourcing to accelerate growth.
- Medium and larger companies that need additional capacity for peak production periods or to fuel growth.
- Organizations with no internal production that have chosen outsourcing as their business model.

WHAT ARE THE FINANCIAL BENEFITS OF AGAM MAX?

- Lock in predictable margins with fixed pricing, eliminating the risks of internal overruns.
- Accommodate growth without increasing personnel, facility or capital investments.
- Improve your competitive advantage and sales with extended capability and capacity.
- Rent exhibits without carrying rental inventory.

Overall Agam Plant

agam

Headquartered and manufactured in the USA, Agam is one of the largest wholesale, aluminum-based exhibit manufacturers in the US. With over 100 proprietary extrusions, our Nexus tool-free wall system, and the best equipped plant in the industry, we can realize practically any design. Off-the-shelf or custom, our turnaround times are unmatched. With our 115,000 square foot facility, we have plenty of space for manufacturing, staging and storage.
