### A BIG CROWD PLEASER!

"Our booth was mobbed the entire show. The robot moving back-and-forth in the booth definitely gets people's attention."

The picture taking feature on the robot was one of the attendees favorites. The photos were emailed and posted building our social brand and the crowds gave our sales team plenty of prospects to talk with.

### ROBOTS START SALES!

Tracey brought us so much attention, everyone loved interacting with her! So many people came over to check her out. Then after talking with Tracey the attendees would start talking about our products with our sales team. She worked perfectly!
