## **SUBMISSION INSTRUCTIONS**

# **EXHIBITOR Magazine's 22nd Annual Corporate Event Awards**

### Honoring excellence in Event-Marketing Strategy and Execution

## **Eligibility**

Corporate events launched between Dec. 1, 2022, and Dec. 1, 2024, are eligible. A corporate event is defined as a proprietary marketing event at which external customers (other businesses, partners, or consumers) or members of the media are the target audience. (See categories for eligible event types.) The following events are **ineligible**: trade show exhibits and internal events, such as sales-incentive programs, company parties, and recognition programs. (*Projects that have previously won a Corporate Event Award are ineligible.*)

# Criteria/Recognition

#### • Criteria

Entries are judged primarily on their measurable results and level of innovation. Entries must provide measurable, numeric objectives and corresponding measurable, numeric results such as leads gathered, sales made as a direct result of the event, media coverage, return on investment etc. Entries without measurable objectives and results will not be considered.

#### Recognition

One Judges' Choice Award is offered, along with multiple additional awards. Awards may not be granted in all categories. Winners will be notified by Feb. 15, 2025. Winners that provide print-quality visuals as described in the Submission Instructions will be featured in the Aug/Sept issue of EXHIBITOR magazine. # **Entry Requirements/Process**

- 1. **Entry Form and Fee.** Fill out the online entry form and remit payment via credit card. (See https://www.exhibitoronline.com/awards/cea/registration-s.asp)
- **2. Project Summary.** Provide project information via written summary and submit it in <u>Word format via Dropbox.com</u>. (See Submission Directions below.) Include the following information for each and do <u>NOT include the names of agencies in the body of the summary</u> only at the very end of the document.
  - Client company name and description Use 10 words or fewer to describe the company hosting the event. NOTE: If entering work for clients, obtain their permission prior to entering.
  - Event Location/Date (or Date Range for virtual/online events)
  - Audience Who attended this event and what was their relationship to the client company?
  - Overall Summary Describe the event in three to four paragraphs. (This
    gives jurors a snapshot of the event, which helps provide context for the
    rest of the information.)

- Strategic, Company-Wide Objective Describe the company-wide objective or CEO directive that prompted the event. For example, was the company trying to grow its business or increase revenue? Had the company experienced a slump in customer loyalty? Had a new competitor entered the market? Also discuss any overall, specific challenges that needed to be addressed, and if this project is the latest iteration of a previous event, how are this year's objectives different from those of previous years?
- Measurable Marketing Objectives Describe the measurable, numeric objectives, such as leads, sales, attendance, press mentions, or ROI.
- Solution Describe the event in detail from beginning to end. While the overall summary (above) provides a snapshot, the solution description goes into details of the experience. So fully explain the pre-event promotion, the entire attendee experience during the event, and what occurs following the event. Solution summaries from winning projects typically range from 700 to 1500 words. More text is acceptable.
- Year Over Year Improvements If your entry is an annual event, describe what makes this particular iteration uniquely successful or innovative compared to previous years.
- Metrics Provide numeric, measurable results that correspond to the objectives, such as:
  - leads gathered
  - ROI
  - sales made as a direct result of the event
  - actual vs. projected attendance
  - face time with customers
  - media impressions (clearly document your measurement techniques)
  - media mentions
  - post-event survey results
  - Google Analytics metrics (e.g., total clicks, conversions, time spent at each activity, etc.)
- Event Creative/Production Agencies and Photographer List the creative and production agencies and include the following for each: contact person, mailing address, phone number, website, and email address. Include a one-sentence explanation of what each company supplied for the event. Also list the <u>company</u> that provided the photography.
- Art/Visuals. Submit at least five and no more than 25 electronic images of the event, and include any photos of promotional items such as invitations or giveaways. Submit identical images in <u>two different formats</u> via Dropbox.com. (See submission directions below.)

Format 1 — (low resolution for judging purposes). Drop low-res JPEG images into a PowerPoint presentation, with one image per slide. Use a solid black background. Do *not* insert logos on the slides, and do not frame the photos with white borders. You may briefly describe the photos (if necessary) with one short sentence per slide <u>using white text</u>; however, <u>text should not mention the creative/production firms involved in the project.</u>

#### and

Format 2 — (high-resolution Raw, TIFF, EPS, or JPEG format for publication). Provide the same images contained in the PowerPoint (see above), but as individual files in their original, high-res formats. Files must be 300 dpi or more and 8.5-by-11-inch.

4. Videos (optional, but recommended) — Include any videos related to the event using a format compatible with Windows Media Player. Provide actual video files as opposed to URLs. Submit videos via Dropbox.com. (See submission directions below.) Insert a slide into your PowerPoint that says "video" (using white text). Do NOT embed the actual video. Once all entries are in, EXHIBITOR will embed the video on your behalf.

#### **Submission Directions**

- Complete the online form (https://www.exhibitoronline.com/awards/cea/registration-s.asp) and remit payment via credit card.
- 2. Submit the remaining requirements via Dropbox. (You must use Dropbox.com, as opposed to your company's preferred file-transfer service.)
- 3. Prior to submission, place all entry components the project summary (Word format), visuals (two formats), and video (optional) into a folder and label it with the award abbreviation (CEA), client-company name, and category you're entering.
